Hiring Committee
City of Surrey
Parks, Recreation and Culture Department

Dear Hiring Committee,

I am excited to apply for the Heritage Program Supervisor (CSA 5) position at Historic Stewart Farm. My ongoing experience as an Event and Program Volunteer with the City of Surrey, including hands-on work at heritage sites, has equipped me to plan and deliver engaging educational programs, coordinate volunteers, and create meaningful experiences for community members of all ages. I am eager to bring this experience, along with my leadership and administrative skills, to support your team in delivering high-quality heritage programming.

At Historic Stewart Farm, I contributed to the set-up and delivery of events such as **Spring Fest (2024)** and **Victorian Christmas Evening (2023)**. I coordinated volunteers, organized event zones, assisted with program logistics, and engaged with visitors, strengthening my skills in event planning, public interaction, and volunteer supervision. At other City of Surrey programs—including day camps, Canada Day, and Fusion Festival—I led activities for children and youth, increasing volunteer participation by 25% and enhancing attendee engagement.

Additionally, my work with **Surrey Libraries' Teen Library Council** and **Rec-Leadership initiatives** has refined my abilities in facilitating educational programs, public speaking, and youth engagement. My role as an **Accounting Assistant at DG Accounting INC.** has further developed my administrative, organizational, and record-keeping skills, which I can apply to program data management, budgeting, and reporting.

I hold a valid **Emergency First Aid and CPR certification (until June 2027)** and am committed to inclusivity and community engagement, guided by the Truth and Reconciliation Calls to Action. I am confident that my combination of heritage site experience, volunteer coordination, and program delivery skills makes me a strong candidate to contribute to Historic Stewart Farm's educational programs and events.

Thank you for considering my application. I would welcome the opportunity to discuss how my skills and experiences align with the Heritage Program Supervisor position.

Sincerely,
Victor Gupta
